

MAKE YOUR OWN KIND OF MUSIC

SOLO Nobody can tell ya
SOLO There's only one song worth singing
SOLO They may try and sell ya
SOLO 'Cause it hangs them up
To see someone like you
SOLO But you gotta make your own kind of music
SOLO Sing your own special song
SOLO Make your own kind of music
ALL Even if nobody else sings along
BLUE CHOIR Ah-
RED+BLUE Ah-
SOLO You're gonna be nowhere
The loneliest kind of lonely
SOLO It may be rough going
Just to do your thing is the hardest thing to do
BLUE CHOIR So hard to do
SOLO But you gotta make your own kind of music
SOLO Sing your own special song
SOLO Make your own kind of music
ALL Even if nobody else sings along
SOLO So if you cannot take my hand
SOLO And if you must be going, I will understand
BLUE CHOIR Ah-
RED CHOIR Ah-
SOLO You gotta make your own kind of music
RED CHOIR You've got to sing your song, the music that is you
SOLO Sing your own special song
RED CHOIR If no one sings along, do what you want to do
BLUE CHOIR Make your own music
SOLO Make your own kind of music
RED CHOIR You've got to sing your song, you've got to do it
Even if no one sings along
SOLO+BLUE Even if nobody else sings along
BLUE CHOIR Make your own music, sing your own song, yeah
RED CHOIR You've got to sing your song, the music that is you
RED CHOIR If no one sings along, do what you want to do
BLUE CHOIR Make your own music
RED CHOIR You've got to sing your song, you've got to do it
Even if no one sings along
BLUE CHOIR Even if nobody else sings along
SOLO You gotta make your own kind of music
CHOIR Ah-
SOLO Sing your own special song
BLUE CHOIR Ah-
SOLO Make your own kind of music
RED CHOIR Ah-
ALL Even if nobody else sings along
